July 2018

Dear Parent/Carer

As I am sure you are aware the college does not allow the use of mobile phones or other electronic devices throughout the college day. Should you wish your child to have their phone with them in college, it must be turned off and out of sight. This **does** include break and lunch times, however after 2.45pm students are free to use phones once they are released from class.

Students who use phones during the day will have them confiscated until the end of the day on the first occasion. However if your child has their mobile phone confiscated on more than one occasion as a result of either having it visible or using it in college it will be confiscated and direct contact with you will be required, before it is returned.

I hope you will agree this is against rules, a distraction and is not acceptable.

I would therefore be grateful if you would speak to your child and ask them to keep their mobile phone switched off and out of sight whilst in college.

Many thanks for your support.

Yours sincerely

K Porter
