

July 2019

Dear Parents/Carers,

As you will be fully aware we are very proud of the uniform that our students wear to College.

Indeed, I receive many compliments from the community on how well presented and smart our students are. An important aspect of the uniform is the wearing of correct footwear. I would just like to clarify which footwear is acceptable and which is inappropriate.

The College allows:

**'All black, plain, leather, polishable shoes' (no bows, hearts or decorations)**

The College does **NOT** allow:

- Training shoes
- Labels on shoes
- Canvas or suede shoes
- Coloured or embroidered fashion shoes
- Boots

If you would like further information about suitable footwear please contact student services at the college.

**Mr P Dickinson**  
Headteacher
