COVID 19 EQUIPMENT

Dear Parent / Carer

In line with Government guidelines, when we return to lessons teachers **WILL NOT** be allowed to lend any equipment to students.

With this in mind, it is absolutely essential that students bring their own equipment every day. Students must have a pencil case including:

- Black or blue pens
- Purple pen
- Highlighter
- Pencil
- Rubber
- Ruler
- Sharpener
- Glue (optional)
- Colours (optional)

It is also essential that your child brings their own calculator every day. If you need to purchase a calculator then we recommend either of the models CASIO FX-85GTX or CASIO FX-83GTX. These will be available from the College Stationary shop in September.

If your child does not bring equipment, as we are unable to lend this to them, they will be asked to purchase a basic pack of equipment for £1.50.

Many thanks for your support in ensuring that your child is fully equipped.

Yours faithfully

S Daniels
