

Tuesday, 09 June 2020

Dear Parent/Carer,

Due to the College being closed since the 20th of March your child has been unable to sit their second set of assessments. As a result, we are unable to send a second progress report to you for this academic year.

I have enclosed a copy of the progress report that you received earlier in the year that was based upon your child's assessment scores in Assessment Period 1. Please note that these scores are in relation to their performance and progress prior to lock down. As College is still officially closed for normal lessons, we are unable to comment on the academic progress made during lockdown. However, you should have had contact from College to discuss your child's emotional welfare and offer academic guidance.

Please rest assured that as soon as College is allowed to reopen fully, teachers will be reviewing the progress made by the students. All parents/carers will be invited into the College in December for Academic Review Day to discuss your child's progress in detail.

As a College, we look forward to welcoming your child back in the new term and ask that you check the College website throughout the summer for further information.

Regards

Mrs Daniels

Assistant Head Teacher
