

# Archbishop Beck Catholic Sports College

Headteacher: Mr Paul Dickinson BA (Hons), MEd, NPQH

ONLY  
**THE BEST**  
WILL DO

4th June 2020

Dear Parent / Carer

May we take this opportunity to wish good health and well-being to you and your families during this unprecedented time in all of our lives.

As the country slowly comes out of 'lock-down' we feel that it is important that our year 10 students begin to prepare to return to some kind of 'normal' education. To this aim you will be contacted over the next week to arrange a 30 minute meeting when your son or daughter will come into Archbishop Beck College to meet their form tutor or a member of the year 10 pastoral team. Due to the present circumstances this meeting will be only for your son or daughter. Parents/carers are not expected to attend.

The meeting will focus on any pastoral issues they may be experiencing, how they have coped with accessing the work that has been set over the last few weeks and also to provide guidance and resources for work they need to complete over the following weeks and possibly into the summer holidays.

All meetings will be conducted within the guidelines outlined by the government, the local authority and taking into account the best scientific advice. At all times 'social distancing' will be strictly adhered to. The time that you will be given for your child's meeting will also be strictly enforced to ensure that only five year 10 students will be in meetings at any one time.

Once again can we thank you for all your support and hope your son or daughter takes advantage of this opportunity.

As stated at the start of the message a member of administration team will contact you during the next week with your appointment date and time.

Take care and stay safe

Best Wishes,

Year 10 Pastoral Team

**Mr Abernethy**  
**Miss Atkinson**  
**Miss Griffiths**  
**Mr McNulty**
