

Numeracy Puzzle of the Week

In two hours from now it will be half as long until midnight as it would be an hour from now.

What time is it now? You must justify your answer.

Numeracy Puzzle of the Week

9pm

In two hours it will be 11pm, 1 hour from midnight.

In one hour it will be 10pm, 2 hours from midnight.

1 hour is half of 2 hours.
