

YEAR 7 AP1 SUPPORT

Subject	Maths																				
Assessment period	AP1																				
Date	Week beginning 21.10.2019																				
What type of assessment will I be doing?	You will do a 45 minute in-class test with no calculator.																				
What topics do I need to prepare for?	<p>The test will be on place value but you will be expected to use your full knowledge of mathematics, including topics you have learnt in primary school. The topics you need to know and the corbettmaths video/worksheet numbers are below:</p> <table><thead><tr><th>Topic</th><th><u>Video Number</u></th></tr></thead><tbody><tr><td>Ordering decimals</td><td>95</td></tr><tr><td>Ordering negatives</td><td>208</td></tr><tr><td>Negatives real life</td><td>209</td></tr><tr><td>Ordering numbers</td><td>221</td></tr><tr><td>Place value</td><td>222</td></tr><tr><td>Rounding nearest to the nearest 10 and 100</td><td>277a and 277b</td></tr><tr><td>Rounding to decimal places</td><td>278</td></tr><tr><td>Rounding to significant figures</td><td>279</td></tr><tr><td>Estimation</td><td>215</td></tr></tbody></table>	Topic	<u>Video Number</u>	Ordering decimals	95	Ordering negatives	208	Negatives real life	209	Ordering numbers	221	Place value	222	Rounding nearest to the nearest 10 and 100	277a and 277b	Rounding to decimal places	278	Rounding to significant figures	279	Estimation	215
Topic	<u>Video Number</u>																				
Ordering decimals	95																				
Ordering negatives	208																				
Negatives real life	209																				
Ordering numbers	221																				
Place value	222																				
Rounding nearest to the nearest 10 and 100	277a and 277b																				
Rounding to decimal places	278																				
Rounding to significant figures	279																				
Estimation	215																				
Where can I get the information?	Your class teacher will provide you with revision materials which may include practise questions and links to videos/worksheets on corbettmaths.com																				
What additional sources of information will help me? (websites, doddle etc.)	Use corbettmaths.com to revise the topics that your teacher has given you. The videos are very useful if you need to refresh how to do a particular topic.
