Uniform

We have had to speak to a number of students this week for failing to meet the required uniform standards. From Monday, students that do not meet the uniform requirement set out below will not be permitted on site. Uniform expectations have been made clear at interview and induction, as well as on the sixth form section of the college website.

Female Uniform

- **Black sixth form cardigan**
- **White open necked blouse**
- **Black skirt (must be knee length) / trousers**
- **Black or white socks or tights may be worn**
- **All black full leather shoes**

Male Uniform

- **White shirt**
- **Black sixth form jacket**
- **Grey / black trousers**
- **All black full leather shoes**
- **A plain tie of your choice**

Face Masks

It is compulsory that all students have a face covering in college at all times. This is to ensure safety should bubbles ever need to be crossed. An example of this might be a fire drill.

CISI

The Chartered Institute for Securities & Investment (CISI) has been delivering a financial services education programme for the last seven years with over 150 students taking part across nine schools in the area. Ten students have successfully gained their first role in the profession since completing the programme.

The programme is aimed at sixth-form students over a two-year period:

Programme Year One	November 2020 to June 2021	Students take part in online study sessions to complete the CISI Level 2 Fundamentals of Financial Services qualification
Programme Year Two	October 2021 to March 2022	Students take part in a series of monthly online employability workshops to develop the skills and tools to prepare for their first role in the profession

There will be an online launch event via Microsoft Teams on **Monday 28th September 2020 between 4:30pm and 5:30pm** where students and parents can find out more about the programme and hear from professionals and past graduates. Students will then be able to formally apply for a place on the programme. Yr12 students can [register their interest to](#)

[attend the launch event on 28th](#). Once a student has registered their interest, they will receive a link to the event.

The course will be promoted in college with a specific focus on Business and Maths students.

Important UCAS reminder

An important reminder to all year 13 students that the internal UCAS deadline is Friday 24th October. Support and guidance is available on-site, and students are encouraged to use the vast range of website support resources available on the college website on the attached link <https://www.archbishopbeck.com/sixthform5.php>.

Personal Statement Support

We will be delivering a series of sessions to support you in writing your personal statement. These half hour sessions will start at 8.15 prompt, and will take place in ICT4. Places are limited. To book your place, please book in with Carolyn either personally or by email stating your preferred session. Next week's sessions will be as follows:-

- Tuesday 22nd September – 8.15am
- Thursday 24th September - 8.15am

General queries

Please keep in touch with any questions you may have. Email me (lynchp@beck.uk.com) or Deputy Head of Sixth Form, Mrs Noel-Mulhaney (Noel-Mulhaneys@beck.uk.com) with any specific sixth form queries.

Thank you once again for your support and have a wonderful weekend.

Stay safe.
